

## Quality Policy

- We are committed to meeting customer and client expectations of performance, quality, price
- We aim to fully understand our customers' requirements and provide products and service to meet those needs
- We promote innovation and continually review advances in technology, which can lead to improvement of our products
- We encourage the development of staff through skills training;
- Our quality system provides the framework to control and monitor our activities and to continually improve our systems, products and services to our customers.
